Must be received before the deadline or before the event sells out. / Post dated checks are accepted, dated for at least 8 days prior to the event.

### **Refund/ Payment Policy:**

Deadline to ask for a refund without penalty of \$100 is the Friday, 8 days prior to the event at 5pm.

If event is listed as Sold Out, and team backs out, the penalty is \$100 for having to re-open a sold out event. The remaining balance is not refundable but can be kept as a credit for future use.

Deadline to ask for a refund without full forfeit of fees is Monday at 10AM, the week of the event.

Teams requesting a refund before Friday at 5pm, 8 days prior to event, will be refunded minus 3.1% unless event was sold out, or teams can transfer the fees to another event in full, unless event was sold out, \$100 penalty.

Refunds requested more than 90 days after the original paid date will be subject to an extra fee of \$25 and 3.1% credit card return fees.

Teams also have the option to transfer fees to another event.

In the event teams are backing out of a sold out event to join another event instead, refunds will not be given, the amount is subject to \$100 fee for backing out of a sold out event, and the remaining balance can be used for a future event but is unable to be refunded.

Weather Related Cancellations including Smoke/Fire and Pandemic and other.

This is only when the entire event is cancelled and not one team choosing to back out.

- 96.9% refund if no games are played or 100% full transfer to future event.
- 62.9% refund if 1 game is played or future credit
- 29.9% refund if 2 games are played or future credit.
- 0% refund if 3 games are played.

Teams can also choose to transfer their credit to another event instead of a refund.

Teams need to inform us as to what they would like done by emailing your team name, age, tournament played in, and your request for a transfer or refund. Refunds are processed in the same way that they were paid to us to the same person/account only.
